

on May 6, 2004 also still had several errors. Thus, a completely new and full set of drawings has been obtained for this case.

The Examiner is requested to delete the complete set of drawings that now exist in the application and, in lieu thereof, please substitute the attached set of replacement drawings, which number 1/4 through 4/4. The Examiner will note that there are no substantive changes in the drawings, however, these drawings are more legible and do not include extraneous words and lines. The differences between the set of drawings that are presently in the case and the new set are illustrated in red on a marked-up copy of each current page. Each such page is identified as an "Annotated Sheet" per 37 C.F.R. § 1.121(d)(1).

Entry of each "Replacement Sheet" is respectfully request to improve the readability and legibility of the drawings.

The Issue Fee in this case is being paid under separate cover, on or before the December 20, 2005 deadline.

Respectfully submitted,
